

CFW Run It Back Card

Creative Force Wrestling Presents: Run It Back
Live at the Venice Civic Center Fri October 24th 2025

Singles Match

Águila Feral vs. Dominic Hex

They've crossed paths before — Feral was part of the team that handed Hex his first taste of defeat in CFW. But in singles action, Hex has been untouchable. Tonight, the streak is on the line. If Feral breaks it, the fallout won't sit well with Reign Rokk or Alaric Green — both still loud about wanting the chance to end Hex themselves.

Fatal Four Way – Women's Division Points Qualifier

Lena Wilde vs. Sudio vs. Shayna Vex vs. Brandi Blight

What's set to be an explosive rematch of their Fatal Four Way battle at Face Off.

The points race for a Women's Championship shot heats up.

Brandi Blight and Sudio each sit one point away from sealing their path to *Kingdom Come*, and the power to choose their challenger.

Lena Wilde and Shayna Vex both stand at one point apiece, aiming to drag the battle deeper into the season.

Rivalries and stakes collide — this one could redraw the division.

Main Event – Singles Match

Jace Valor vs. Ace Dalton

The rematch the underground demanded.

At *Face Off*, Ace proved himself against Valor. But since then, tensions have boiled. Jace accuses Ace of playing the very political games he claims to despise — pointing to his ties with Venessa Vale and Brandi Blight, both tied (directly or loosely) to MAR and the Black Tape. Ace fires back: Jace is arrogant, entitled, and no gatekeeper to the business.

The winner tonight doesn't just take pride — they take the golden ticket: a World Championship match against MAR at *Kingdom Come*.
